

YUG JOSHI

Web Developer | Computer Engineering Student

Ahmedabad, Gujarat | 9904300073 | yugjoshi2892006@gmail.com
LinkedIn: linkedin.com/in/yug-joshi-5b5842312

PROFESSIONAL SUMMARY

Motivated web developer and Computer Engineering student with hands-on experience in building full-stack web applications. Proficient in Core PHP, CodeIgniter, and modern frontend frameworks, with a strong focus on developing scalable, secure, and responsive web solutions.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, Bootstrap 5, jQuery

Backend: PHP (Core/CodeIgniter 3), Django (Basic), Python, Java

Database: MySQL, Database Design

Web Concepts: REST API, MVC, Session/Authentication Management

Tools: Git, GitHub, XAMPP, VS Code

Other: Responsive Web Design, Linux/Windows, MS Excel

PROFESSIONAL EXPERIENCE

Vision Technolabs

Web Developer Intern | 4 Months

- Architected and developed web applications using Core PHP and the CodeIgniter 3 framework.
- Designed responsive user interfaces with Bootstrap 5 to ensure cross-device compatibility.
- Implemented complex CRUD operations for project and task management modules.
- Developed secure login authentication systems using advanced session handling.

Creative Design & Multimedia Institute

Web Development Intern | 1 Month

- Mastered and implemented responsive web elements using HTML, CSS, and JavaScript.

KEY PROJECTS

Employee Performance Dashboard

Built an admin-centric visualization tool using PHP CodeIgniter and Bootstrap to track employee task data and performance metrics.

Project Management System

Developed a full-featured CRUD system for administrators to manage and track various project activities and timelines.

User Authentication System

Designed and integrated a secure, session-based login architecture to protect user data and manage tiered access.

EDUCATION

Diploma in Computer Engineering

Silver Oak University (5th Semester - Pursuing)

Secondary Education (10th CBSE)

Shreeji Image Public School | 66% (2022)

ADDITIONAL INFORMATION

- **Languages:** English, Hindi, Gujarati
- **Workshops:** Technical seminars on AI, Machine Learning, and Python
- **Personal:** Born September 28, 2006; Indian Nationality
